### Sling Chair Styles We Cannot Repair

We do not offer sling replacement for two piece patio chairs where the back portion of the sling fabric is inserted horizontally at the top and the bottom of the frame. It is nearly impossible to disassemble, install the new sling and reassemble the chair. We only install new slings on chairs with rails that run vertically on the frame. See the picture below for reference.

**NO!** Rails that hold the edge of the fabric are on the top and bottom or horizontal

**YES!** Rails that hold the edge of the fabric are on left and the right or vertical.

### **Pick Up & Delivery by Chair Care Patio**

Call us to schedule a pick up of your patio sling furniture. Cost is \$150 round trip or \$75 each way. Our customer service team will set you up with a morning or afternoon appointment between 9am -12pm or 1pm - 4pm. We do not pick up or deliver on the weekend. The driver has all the sling samples available for you to review. You can also view the sling samples on our website. Customer service will call to schedule a delivery when your order is complete.

### **Bring Your Furniture To Us**

If your vehicle is large enough to accomodate your furniture, you are welcome to drop it off at our warehouse during business hours. No appointment necessary.

### **Payment**

Customer service will create an invoice for your order when it arrives. We require a 50% down payment on all services. You can pay via the link sent in the email or provide a credit card at our showroom/warehouse.

## **Customer Service Will Call You When Your Job Is Complete!**

### **Lead Times\***

September - February  
**4 to 6 weeks**

March - July  
**6 to 8 weeks**

**WE CAN NOT PROMISE  
COMPLETION DATES!**

**Please plan ahead for  
partys, holidays  
and special events.**

**\*Lead times are approximate!!! Call for current lead times**

### Production

Your sling replacement project is entered into the production schedule once it arrives at our warehouse and a fabric is selected. Jobs are processed in the order they are received. We need your furniture on property to measure it, manufacture replacement slings, strip the old sling out of the frame and install new slings.

### Warranty

**Manufacturing Warranty** - Chair Care Patio offers a one year warranty against manufacturing defects. **Limited Warranty on Fabric - 3 Years** This warranty covers the fabric becoming non-functional because of loss of dimensional stability from exposure conditions including sunlight, mildew, rot and normal atmospheric conditions. It does not cover slings in commercial applications, punctures, burns, chemical stains, salt water pools, wild animal damage, pet damage or general negligence. The best way to care for your new replacement slings is to keep them clean. Periodic cleaning is recommended.

### Structural Integrity of Your Frame

***Chair Care Patio is not responsible for the following issues***

- Structural integrity of items due to their age and condition prior to sling installation.
- Expanded or split sling rails widened to ice or weight expansion.
- Broken bolts or threaded inserts during the disassembly/assembly process.
- Additional costs if welding or repair of threaded inserts is required.
- COM slings, supplied by customer, that are incorrect or do not fit. Additional fees may apply.
- Replacement parts such as glides, end caps, and misc hardware that are not available.
